

B¹ cont

producing a layer of a polymer compound,
depositing a layer of an adhesive substance onto the layer of the
polymer compound,
causing a foam material to make intimate contact with the layer of
the adhesive substance to form a sheet of wound dressing, and
optionally cutting individual dressings from the sheet of wound
dressing and/or creating fenestrations in the sheet or the individual
dressings.--

REMARKS

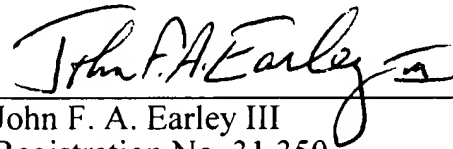

Reconsideration of the application is respectfully requested in view
of the above amendment and the following remarks.

- 1) In response to the restriction requirement, applicant respectfully elects Claim Group III (Claims 18-33), without traverse and without prejudice, for examination. Applicant respectfully reserves the right to file divisional applications for the non-elected claim groups.
- 2) Claim 37 has been added to round out the coverage of the claims.
- 3) If necessary, an appropriate extension of time to respond is respectfully requested.
- 4) The Commissioner is authorized to charge any additional fees

Attorney Docket No.: E-1950

which may be required to Patent Office Deposit Account No. 05-0208.

Respectfully submitted,
Harding, Earley, Follmer & Frailey
